The [Stags Leap District](#) is a storied AVA (American Viticultural Area) known for its lush Cabernet Sauvignons and 16 world-class wineries that offer a range of local wine styles. This is a rare opportunity to do a deep dive into what distinguishes the Stags Leap District from other Napa Cab producers, as well as explore the nuances among the producers within the AVA.

Vineyard to Vintner 2022 allows attendees to explore all 16 Stags Leap District wineries.

The weekend extravaganza includes library wine dinners hosted by the wineries, vineyard walks, seminars, a gala luncheon and walk-around tasting, and individual winery experiences. In short, it's a full-immersion experience of the AVA, which is known among collectors as being one of the most coveted California Cab growing regions.
