

THE 2007 APPELLATION COLLECTION

We are delighted to bring you our 2007 Appellation Collection – eighteen Cabernet Sauvignons – comprised of one Stags Leap District designated bottle from each of our member wineries.

2007 will be noted as one of the greatest vintages of the decade for the appellation. The vintage began with a lack of winter rainfall and low moisture in the soils followed by cool weather and early growth. A mild

April turned to a hot May and June with grapevines blazing through bloom and the first phase of development. Late summer heat punctuated the start of harvest. The fruit had pronounced flavors of unusual depth and complexity with unquestionable concentration. Right from the start, the wines were generous in aromatics, deep in fruit and rich in texture.

We invite you to taste the wines side-by-side, glass-by-glass or bottle-by-bottle. The enclosed tasting cards and winemaker notes are designed to guide you through Napa's neighborhood for world-class Cabernet.

BALDACC I FAMILY VINEYARDS
2007 BLACK LABEL ESTATE CABERNET SAUVIGNON
STAGS LEAP DISTRICT

WINEMAKER NOTES:

Grapes for Baldacci Family Vineyards' 2007 Black Label Cabernet Sauvignon were hand-harvested in the cool morning, de-stemmed and set to cold soak before fermentation began with native yeasts. Winemaker Rolando Herrera allows the fruit to express itself in the fermentation process before each lot is placed into oak barrels and allowed to age separately until Rolando begins the blending to create a balanced, 100% Estate Cabernet Sauvignon.

The 2007 Black Label Estate Cabernet Sauvignon is smooth, rich and generous – a Stags Leap District wine that truly represents the “iron fist in a velvet glove” expression. It is what we think of when we say “Napa Valley Cabernet.” The aging in 100% French, 55% new, barrels for 18 months only enhances this balanced wine. Aromas of cassis, blackberries and clean earth compliment the layered flavors of black cherries, wild berries, caramel custard and refined, mouth-water tannins. Irresistible in its youth, this wine will age gracefully for 8-10 years.

CHIMNEY ROCK WINERY
2007 CABERNET SAUVIGNON, GANYMEDE VINEYARD
STAGS LEAP DISTRICT

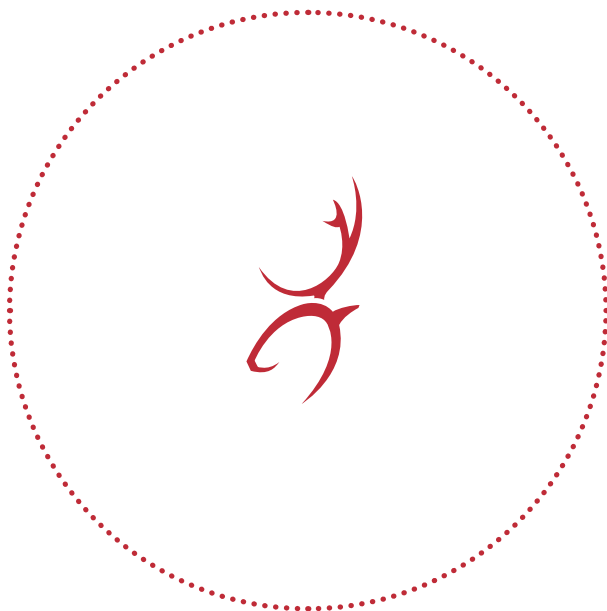

WINEMAKER NOTES:

The 2007 harvest will go down without doubt as one of the great harvests of the decade for Chimney Rock. In comparison to the 2006 vintage which took a while to “open up” - the wines of the 2007 vintage have been luscious and generous in aromatics and texture right from the start. Most critics will jump on the idea that if the wines are good young, they may not stand the test of time.

Winemaker Elizabeth Vianna believes they will – this vintage is reminiscent of 2002 but better and those wines are doing beautifully on the age-ability scale. Ganymede Vineyard brings some of the best fruit on the property from vines that are twenty years old. It will be a thrill to see how this wine from a remarkable vintage develops.

Enjoy this wine which is named for the cup-bearer to the Gods.

CLIFF LEDE VINEYARDS

2007 POETRY STAGS LEAP DISTRICT

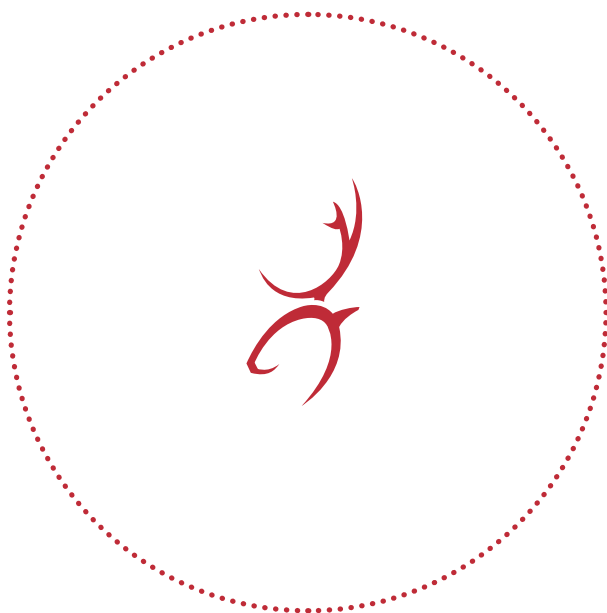

WINEMAKER NOTES:

The Poetry Vineyard sits on a steep west-facing, high-exposure hillside below the luxurious Poetry Inn. Reaching from the highest elevation of the Stags Leap District Appellation down almost to the valley floor, this vineyard's soul is a gritty combination of shallow soils atop fractured shales and low-yielding old vines of Cabernet Sauvignon.

Grapes were picked in the darkness of the very early morning hours, and immediately subjected to rigorous selection in our berry-by-berry hand sorting program. The berries were gently delivered to tank by our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five to eight days. Extended maceration of two and a half to five weeks fine-tuned our tannin profiles, and allowed us to perfect mouth. The components that make up this wine underwent eighteen months of élevage in eighty-five percent new French oak and fifteen percent neutral French oak.

The 2007 Poetry possesses a nose redolent of blueberry strudel, nutmeg, caraway, cola and graphite. It has a truly remarkable mouth, with rich layers reminiscent of blueberry coulis, dense bramble and sweet opulent violet liqueur. With a unique balance of sweet fatness and elegant softness, the palette turns floral and finishes with soft-rounded tannins and a persistent cassis note.

CLOS DU VAL
2007 CABERNET SAUVIGNON
STAGS LEAP DISTRICT

WINEMAKER NOTES:

Clos Du Val's quality for 2007 was exceptional, largely due to near-perfect weather conditions. After a cold and relatively dry winter, bud break occurred in late February. A few storms in March filled the reservoirs and brought total rainfall close to average. The drier soils allowed for complete control of vine canopies, which resulted in well balanced blocks across the board.

The Winery's flagship estate wine, the 2007 Stags Leap District Cabernet Sauvignon, is deep garnet in color with complex aromas of ripe black fruit, cocoa, vanilla and a hint of dried herbs. The wine has a rich entry and concentrated mid-palate filling the mouth with black fruit, spice and a hint of cocoa on the finish. With its velvety-smooth tannins and elegant structure, this Cabernet Sauvignon is a classic expression of Stags Leap District terroir. The finish is long and lingering. Enjoy now or cellar for at least 10+ years.

HARTWELL VINEYARDS
2007 ESTATE RESERVE CABERNET SAUVIGNON
STAGS LEAP DISTRICT

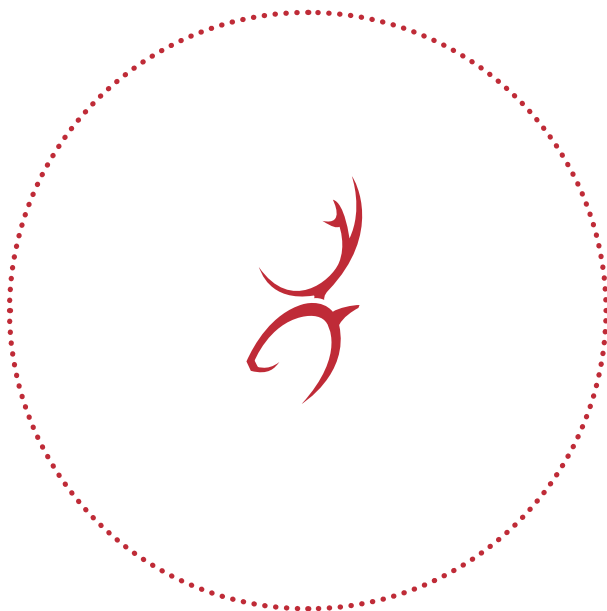

WINEMAKER NOTES:

The Stags Leap District's growing season in 2007 was very smooth, sunny and consistent; undoubtedly ranking as one of the greatest vintages for Bordeaux varietals in Napa Valley. Following a dry winter, bud break and vine growth began early, with cooler temperatures than usual. Vines came into balance with low vigor and small to medium sized berry clusters. At veraison in mid-July, after a small heat spike, the Hartwell's decided to be more aggressive in thinning sections of the vineyard, cutting back yields but in-turn intensifying the fruit flavors among the remaining Cabernet clusters.

Hartwell's 2007 Estate Reserve Cabernet Sauvignon reveals enticing notes of blueberry, raspberry ganache and fig paste interweaved with subtle hints of mocha and pipe tobacco. Full bodied yet focused, this stylish wine offers considerable hedonistic opulence, framed by sweet acidity and firm yet polished tannins.

Properly cellared the 2007 Estate Reserve Cabernet will gain complexity and evolve beautifully over the next two decades.

ILSLEY VINEYARDS

WINEMAKER NOTES:

As vines mature wonderful things happen; the wines emerge into new and wonderful vintages, the impression one receives changes, and a whole new level of stellar wines begins. This is the story of the Ilsley 2007 Stags Leap Cabernet Sauvignon. This wine has depth, complexity and texture. It is truly amazing.

This wine's red cherry, tobacco, floral notes, blueberry and spicy cinnamon attack the nose with undertones of chocolate, caramel, allspice, and brown sugar. The wine is massive, yet soft with big tannins, lovely acidity and a mouthful of red fruit.

It has a powerful, rich texture with a long finish.

LINDSTROM WINES
2007 CABERNET SAUVIGNON
STAGS LEAP DISTRICT

WINEMAKER NOTES:

This 100% Cabernet Sauvignon was produced entirely from fruit grown on the Lindstrom family estate in Stags Leap District. First impressions of the aromas from this 100% Cabernet Sauvignon show lovely, perfumed essence of raspberries, roses and a touch of lilac, with darker cherry tones adding depth and a sense of mature-fruit. The sweet fruit character is remarkably focused and intense, reflecting its steep hillside origins. On the palate, the wine offers an elegant, full-bodied, soft, silky entry, with dark warm berry fruit character. The finish is rich, exhibiting layers of complexity and a dense, mouth-coating texture. The overall density and concentration of the palate impression results from the very rocky vineyard source of this dark, rich cabernet. A total of 480 cases were produced by winemaker, Celia Welch.

MALK FAMILY VINEYARDS

2007 CABERNET SAUVIGNON STAGS LEAP DISTRICT

WINEMAKER NOTES:

The 2007 vintage of the Malk Family Vineyards is likely to be their best effort to date. The 2007 Cabernet Sauvignon has even deeper notes of blackberry and black cherry than previous vintages, but enjoys the same rich currant and ripe red fruit. The fruit aromas are highlighted with warm spicy notes that follow through to the palate giving way to the classic, silky, mouth-feel the Malks have come to expect in Stags Leap District. This wonderful vintage offers deep extraction and body and should age well for many years.

PINE RIDGE VINEYARDS

2007 CABERNET SAUVIGNON STAGS LEAP DISTRICT

WINEMAKER NOTES:

With meticulous attention to detail and a knowledge developed over 30 years of continuity, Pine Ridge Vineyards produces wines that showcase 200 acres of premier estate vineyards across five renowned appellations in the Napa Valley. The 2007 Stags Leap District Cabernet Sauvignon is a pure expression of the world-famous Stags Leap District appellation. It is produced in the Bordeaux style, a blend of 85% Cabernet Sauvignon, 6% Malbec, 4% Merlot, 5% Petit Verdot and 1% Cabernet Franc. Grown on the steeply-terraced and densely planted hillsides of their home vineyards in SLD, the winery achieves small yields of tiny berries that give this wine its traditional depth and complexity. This powerful wine offers youthful aromas of lush black plum, cherry and berry fruit enriched with hints of toasted pecans and sweet vanilla. The entry on the palate is intense, with a solid core of dark fruit, mouthwatering acidity and a velvety texture that balances the muscular tannins. The finish slowly draws to a close with notes of milk chocolate, coffee and caramel.

REGUSCI WINERY
2007 CABERNET SAUVIGNON
STAGS LEAP DISTRICT

WINEMAKER NOTES:

Here comes 2007 at its best! Headily lush on the nose with deep black fruit - think cherry and blackberry - balanced with sweet floral notes, shavings of chocolate and subtle minerality. The palate delights in rich, ripe, fat, rounded and juicy black and red currant fruit, smoky spices and softly tart tannins. A finish that unfolds into deepening layers of black current and engaging cassis, reminds the Reguscis why they make wine. Pull the cork now or wait eight to ten years if you can!

ROBINSON FAMILY VINEYARDS

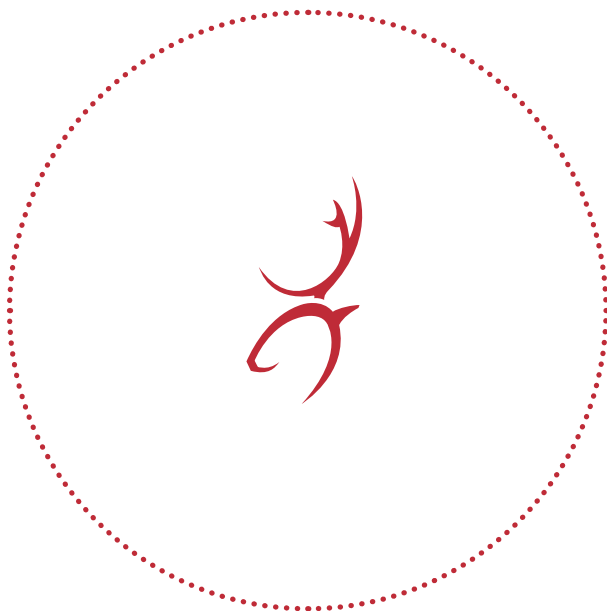

2007 CABERNET SAUVIGNON STAGS LEAP DISTRICT

WINEMAKER NOTES:

This is the Robinson Family's 40th year growing grapes in the Stags Leap District. The Robinsons are a small, family run winery with the property nestled at the foot of the Stags Leap Palisades beneath the rock outcroppings. The grapes are hand-picked and each of lot is fermented individually in small stainless tanks and then aged in French oak barrels for 24 months.

The 2007 Cabernet Sauvignon is a rich, well balanced wine. Everything is in harmony throughout the palate. There are nice fruit flavors of blueberry jam and cherry cola, mixed with vanilla and spices. The tannins are woven throughout the wine holding everything together from first sip through the lengthy finish. You will find this wine quite enjoyable now, or, as the wine ages, it will continue to develop gracefully for years to come.

SILVERADO VINEYARDS

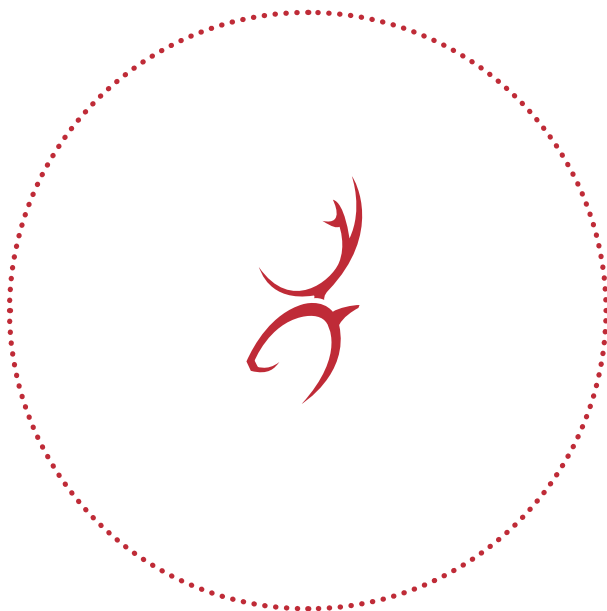

2007 SOLO STAGS LEAP DISTRICT

WINEMAKER NOTES:

“Crafted entirely from grapes grown in our Stags Leap Vineyard surrounding the winery, SOLO has one driving philosophy: location,” says winemaker Jon Emmerich.

Specific clone selection (their own Heritage Clone, UCD 30), micro block fermentation, a restrained approach to oak aging: everything Silverado does is tailored to honor the purity of fruit which expresses this special site. 2007 was a smaller yield producing a Cabernet Sauvignon that displays all the complexity, suppleness, texture and solid structure that helped define the Stags Leap District. The wine has exuberant aromas of perfectly ripe black cherry and plum fruit. Medium to full bodied with ripe juicy red fruit flavors on a long, lingering, persistent finish.

STAG'S LEAP WINE CELLARS
2007 FAY VINEYARD CABERNET SAUVIGNON
STAGS LEAP DISTRICT

WINEMAKER NOTES:

The FAY vineyard is where the Stag's Leap Wine Cellars story began. In 1969, founder Warren Winiarski tasted and fell in love with Nathan Fay's homemade 1968 Cabernet Sauvignon. He knew instantly that he had found what he was searching for – classic elements of fruit and structure, suppleness and balance. This Cabernet Sauvignon comes largely from blocks on the lower and middle sections of the FAY vineyard, which give the wine its classic red-fruit tones and aromatic top notes. A small amount (less than 10%) of the blend is from the eastern blocks of FAY, which tend to be more powerful. When the various lots are blended and aged in French oak barrels, the resultant wine exemplifies the classic expression that is a hallmark for SLWC's estate grown Cabernet Sauvignon, "an iron fist in a velvet glove." The 2007 FAY shows the typical bright cherry aromatic signature of the vineyard, as well as barrel spice, sandalwood, red plum and subtle sous bois (forest floor) aromas. The palate is fresh and energetic, with perfectly ripened red and black cherry and plum fruit. Gentle notes of spice and caramel sit in the background, adding nuance without masking the fruit character. This 100% Cabernet Sauvignon wine is solidly structured yet supple, closing with refreshing natural acidity.

STAGS' LEAP WINERY
2007 THE LEAP CABERNET SAUVIGNON
STAGS LEAP DISTRICT

The Block that is called "The Leap" lies at the doorstep of the historic Stags' Leap Manor House. This is the heart of the estate, with exceptionally well-drained volcanic soil that produces the winery's most distinctive Cabernet Sauvignon each year. The wine was created to celebrate this small, yet distinct vineyard block, aged for 24 months in French oak barrels (50% new) and offers collectors a long-lived Cabernet that speaks to the unique terroir of the Stags Leap District. Stags' Leap's "The Leap" Estate Grown Cabernet Sauvignon 2007 opens with complex aromas of dark berry fruit, sweet tobacco, vanilla bean and black pepper. It has a luscious, round mid-palate highlighting bright dark cherry and licorice. Juicy tannins carry through to a long rich finish of spice and blackberry.

The Steltznerns see themselves as stewards of this land and continue with the second generation working in the day-to-day business. The Estate Reserve celebrates both founder Richard Steltzner and the essence of Stags Leap District. Working with his favorite blocks of Cabernet Sauvignon from the Stags Leap District estate, winemaker Tim Dolven crafted a wine that captures the velvety texture and bright fruit of the appellation. The 2007 Vintage is rich and supple wine that embodies Stags Leap District. 120 cases produced.
